LESSON THREE: Kingdom Advancement

Lesson Scriptures:

Jeremiah 32:27; Hebrews 11:6; I Peter 4:10

AGENDA

☀ Suggestion: Have group members rotate the following roles each week

- Opening prayer
- Lesson scriptures (*New King James Version and Amplified Bible recommended; select additional versions as desired*)
- Group discussion (*Questions below*)
- Affirmation and closing prayer

DISCUSSION QUESTIONS

1. In Jeremiah 32:16–25, the prophet prays to God. His words reflect his fidelity to God, but also hint at his uncertainty. Is it hard to follow God's Instructions when you don't see the bigger picture? Why or why not?
2. Faith is the currency of the Kingdom. Still, some people attempt to "please God" in other ways. What are they and why is that dangerous?
3. How does stewarding gifts help the individual believer and the overall Body of Christ? How does selfishness rob ministry of its potential?

AFFIRMATION: *Advancing the Kingdom brings glory to God and redefines "possible" for the world to see. May we help, not hinder, God's Agenda!*
